

Environmental Policy

DATE: EP-01
16/02/2017 Rev 1.0

Alpha Wireless LTD.

Environmental Policy

Alpha Wireless LTD. Are committed to protecting the environment both locally and globally. To help minimize our impact on the environment from all our activities we shall,

- Adhere to all legal and statutory requirements in any location globally where we operate.
- Consider all environmental issues where impact may be caused by the organisations business initiatives.
- AlphaWireless LTD. Senior management are committed to ensuring the protection of the environment by demonstrating good environmental practice and having this as a part of the organisations culture.
- Prevent pollution, reduce waste and lower the consumption of all resources that have environmental impact.
- Consider the global impact that the activities of our suppliers, customers and other relevant parties where involved with the organisation may have on the global environment.
- Educate train and motivate employees to conduct the operational practices in a responsible manner, to ensure that the environment is protected while the continual professional development strategy remains to our core business goals.
- Encourage our suppliers and subcontractors to be environmentally aware.
- Investigate the feasibility of influencing our suppliers and customers to be aware of the lifecycle impact of their aspects and activities.
- Encourage and enhance biodiversity and ecology where possible.

AlphaWireless LTD. Is committed to continually improving environmental performance. This policy will be communicated to all staff, contractors and suppliers.

This policy will be available publically on our public website.
